WINEMAKING NOTES

- Grapes were sourced from vineyards across California's sun drenched valleys.
- The wine aged with a combination of oak to add texture and complexity as well as stainless steel tanks to retain freshness and character.
- Lots were kept separately throughout fermentation to allow the wine to evolve and reveal its true character and complexities.

RECOMMENDED FOOD PAIRINGS

- Meatloaf, BBQ ribs, pulled pork sandwiches, mole pork, spaghetti with meatballs.

Dark and complex, our Zinfandel explodes with bright racy fruit aromas of plum, cranberry and marionberry. Beyond the fruit are notes of soft leather. The palate reveals flavors of chocolate covered raspberries with a hint of spice.
